These general conditions (the "**General Conditions**") regulate the access and use of the Website, including the contents and services made available. Access to and/or use of the Website confers the status of user (the "User"), implying full and unreserved acceptance, from that very moment, of these General Conditions. Therefore, in the event that as a User you do not agree with the clauses and conditions of use of the Website, you must refrain from using it. Likewise, the User is informed and accepts that access to this Website does not in any way imply the beginning of a business relationship with Nelly.

The Legal Notice, as well as all the information contained on the Website, is subject to modifications and updates, and therefore, the published version may be different each time you access the Website. Consequently, as a User, you must read the Legal Notice each and every time you access the Website.

The User is obliged and undertakes to use the Website, its services and its contents in accordance with current legislation, the Legal Notice, and any other notice or instructions made available to them, as well as with the rules of coexistence, morality and generally accepted good practices. To this effect, the User is obliged and undertakes not to use any of the contents for illicit purposes or effects, prohibited in the Legal Notice or by current legislation, harmful to the rights and interests of third parties, or which in any way may damage, render useless, overload, deteriorate or impede the normal use of the Website, the contents, computer equipment or the documents, files and all types of content stored in any computer equipment owned or contracted by Nelly, other Users or any Internet user.

The User undertakes and agrees not to transmit, disseminate or make available to third parties any kind of material contained on the Website, such as information, texts, data, content, messages, graphics, drawings, sound and/or image files, photographs, recordings, software, logos, brands, icons, technology, photographs, software, links, graphic design and source codes, or any other material to which it has access as a User of the Website, without this list being exhaustive in nature. In this sense, the reproduction and/or publication, in whole or in part, of the Website, its computer processing, distribution, dissemination, modification, transformation or recompilation, and other legally recognised rights of its owner, without the prior written permission of Nelly, is prohibited. The User, solely and exclusively, may use the material that appears on this Website for their personal and private use, and its use for commercial purposes or for illegal activities is forbidden. All intellectual property rights are expressly reserved by Nelly.

In this sense, Nelly will ensure compliance with the above conditions, as well as the proper use of the contents presented on its Website, exercising all civil and criminal actions that may apply in the case of infringement or breach of these rights by the User. The establishment of the link does not imply in any case the existence of a relationship between Nelly and the owner of the website where the link is established, nor the acceptance or approval by Nelly of its contents or services.

Those Users who intend to establish links between their website and the Nelly Website must observe and comply with the following conditions:
